WENSUMTRUST

Alderman Peel
High School

Learning to make the difference

Value	Intent
Ambition	To develop confidence and aim high towards academic study in Ebacc subject areas. To encourage as many students as possible to study at KS4 and beyond.
Pride	To feel recognised for achievement, effort and progress. To take pride in local and national history and explore our geographical, economic and cultural relationship with other European and global communities.
Happiness	Students to be praised and rewarded for their efforts. To undertake a range of extra-curricular opportunities and experiences which form lifelong memories.
Success	To develop critical thinking, linguistic skills, and social skills which enable students to become a better citizen of the world. To enable students to progress onto ALevel study in facilitating subjects necessary for future success.
