Wanderlust

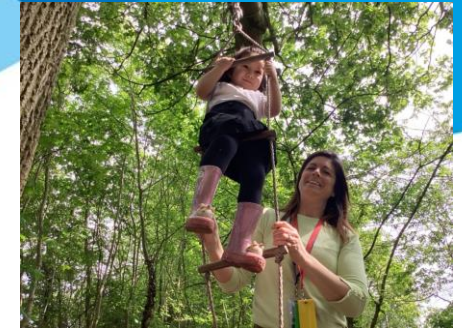

In Nursery we follow the Wanderlust Curriculum. It's a way for us to connect with nature and learn throughout the different seasons.

Outside exploration

We love exploring and learning in the Nature Area!

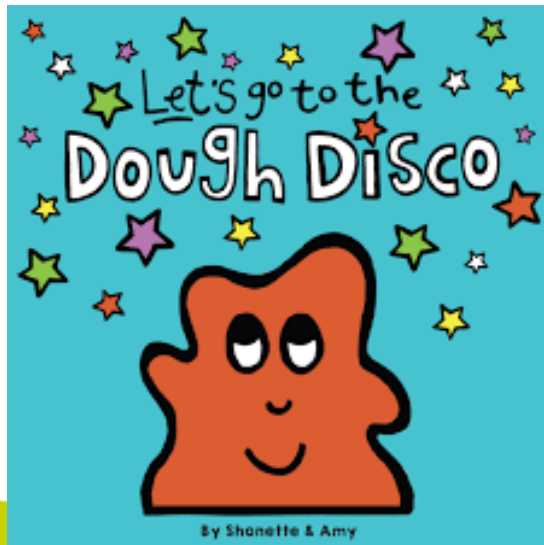

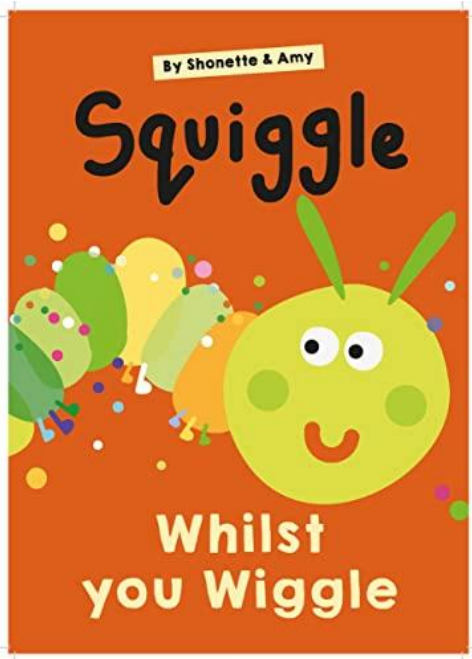

Developing our muscles!!

3 and 4 year old's hands are still developing so in Nursery place a big focus on developing the muscles in children's arms, shoulders, wrists, hands and fingers. This helps them to develop these muscles which will support early writing skills.

Family Learning

We love having our families in to share our learning with!

Tapestry

We use Tapestry in Nursery to capture your child's learning. Tapestry is an online learning journey which you can access at home to view your child's learning and achievements. Parents/carers are also able to upload pictures and videos of the lovely things you do as a family outside of Nursery. Time is then given for children to share their 'Wow moments' with their friends.
